## Saviance Technologies Receives Agile-1's Emerging Supplier Award

**Chicago, IL** May 25, 2017 – **Saviance Technologies**, provider of Contingent Workforce in IT, Scientific, Clinical, Engineering Services & Professional categories, is proud to announce that on May 24, 2017, the company received Agile-1's **Emerging Supplier Award** for supplier excellence. The award was presented to **Gurudas Sarkar, CEO** at Agile-1's fifth annual Customer Forum and Supplier Excellence Summit held at the Loews Chicago O'Hare Hotel in Rosemont, IL.

"To deliver the award-winning workforce management solutions that Agile-1 is known for, our team relies on our supplier partners like **Saviance Technologies** for access to high-quality talent in a wide range of skill sets and geographies." said Peter Carvalho, President of Agile-1. "We are proud to recognize their consistent hard work, dedication and unwavering commitment to excellence."

Jaideep Majumdar, Associate Vice President of Agile-1, is enthusiastic about the on-going partnerships Agile-1 has built with their suppliers. "Through our unique supplier management program, Agile-1 strives to *connect, build, and foster* strong relationships with our suppliers. By doing so, we have created a high-performing supply base that is able to support our client programs while incentivizing other suppliers to expand their services with other Agile-1 programs, both domestic and global. Recognizing our 'Best of the Best' suppliers is just one more way Agile-1's is able to deliver a competitive, value based, total supply chain solution to our clients."

**Saviance Technologies** is one of the preferred suppliers of Agile1.

"Saviance Technologies joined the Agile1 MSP Program in 2015 and since then, our MSP Business has grown by more than 200%. We are really honoured to receive this Award and we aim to be one of the top global suppliers of Agile1 by next year", said Gurudas Sarkar, CEO, Saviance Technologies.

**Emerging Supplier Award** is a great honour conferred to Saviance Technologies.
